

Target Audience

- Elementary Teachers
- Curriculum Directors
- Health Education Teachers
- Administrators
- School Counselors
- Parents
- School Nurses
- Others Interested

Training Objectives

Participants will:

- Explain the SD Health Education Standards including the core concepts and skill categories.
- Describe the importance of aligning standards, assessment, and instructional activities.
- Practice scoring student work.
- Differentiate between assessment for the purpose of accountability and assessment for the purpose of instructional improvement.

Graduate and DOE Renewal Credit

Approval has been granted for 1 hour of Graduate or Undergraduate Credit through Augustana College (\$50); and 1 hour of Teacher Renewal Credit through the DOE.

The VISION for South Dakota Health Education Standards

"Improve educational achievement and the health of SD students, by developing students who are health literate."

A Health Literate Student is:

- A critical thinker and problem solver
- A responsible productive citizen
- A self directed learner
- An effective communicator

Included in the Workshop

- SD Health Educations standards manual.
- SD Health Education Standards posters for your classroom
- Continental breakfast and lunch will be provided on both days.
- A variety of curriculum will be available for you to explore.

Lodging

A block of rooms has been reserved at state rates for the hotel listed on the registration form. Ask for the block of rooms reserved for the Standards and Assessment DOE training. The deadline for making your reservation is one month before the training. Each participant is responsible for reserving their sleeping room and for the charges for their room.

**Don't miss this great
opportunity for high quality
training and nationally
developed assessment
information!**

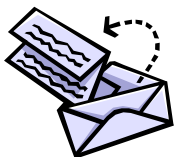

For questions regarding the training design and content, please contact: Beth Davis, CHES, Health Education Coordinator, Coordinated School Health Program, SD Department of Education, (605) 773-6808, or beth.davis@state.sd.us
